INVESTIGATIVE SUMMARY

IAB 008830

On Monday, February 27, 1995, Sergeants Stacy West and Donald Shively of the Internal Affairs Bureau responded to [redacted] Flagstone Avenue in Monrovia (unincorporated area) regarding a deputy involved shooting. The shooting occurred at the side yard to the front of the residence.

Homicide Sergeant Doral Riggs and Detective Timothy Miley responded to the scene as well as Sergeant James Thornton of the Training Bureau. The Internal Affairs Bureau Investigators were briefed by Lieutenant Derry Benedict.

The summary of this incident is based on information obtained from reports, memoranda, and the Homicide Bureau investigative report, as well as audio recordings received from the Sheriff's Communications Center (SCC).

At approximately 0110 hours on Monday, February 27, 1995, Deputies Daniel Ross and Craig Johnson were slowly patrolling northbound in the [redacted] block of Flagstone Avenue. Deputy Ross was the passenger and Deputy Johnson was the driver. As they approached the front of [redacted] Flagstone Avenue, Deputy Ross saw a male (Suspect Markus Hurd) standing next to the southwest corner of a garage located on the property. The suspect's balance and coordination seemed very poor and he appeared unsteady on his feet. Deputy Ross illuminated the suspect with his flashlight and asked him if he was okay. The suspect looked in the direction of the deputies, who were still seated in their vehicle, and reached into his right side pocket. Deputy Ross alerted Deputy Johnson to the suspect's furtive movement and Deputy Johnson immediately put the radio car in reverse and began to back up. As the vehicle moved in reverse, the suspect turned slightly from facing west to a northwest position, thereby "blading" the left side of his body toward the deputies. Deputy Ross observed the suspecting holding a blue steel revolver in his right hand in a "low ready" position. Deputuy Ross alerted Deputy Johnson and Deputy Ross yelled at the suspect several times to drop the weapon.

The suspect, without turning and facing the deputies, raised his right arm, drew it across his body and pointed it at the deputies. Both deputies fired several rounds from their service weapons striking the suspect. Deputy Ross fired three shots from his weapon while seated inside the vehicle. Deputy Johnson fired two shots from his weapon over the hood of the radio car as he was standing between the open driver's door and door post and Deputy Ross simultaneously fired three more rounds. The suspect fell to the ground, and once on the ground, the suspect continued to move while still holding the weapon in his hand. A "998" was broadcast and Air 22 responded. A tactical operation using the ballistics shield was initiated and the suspect's weapon was subsequently removed from his possession with the hammer cocked.

The suspect sustained a gunshot wound to his chest and two gunshot wounds to his legs. He was airlifted to Huntington Memorial Hospital where he was admitted to the Intensive Care Unit (ICU) in critical condition.

Deputy Ross and Deputy Johnson were interviewed by Sergeant Riggs and Detective Miley of the Sheriff's Homicide Bureau. Deputy Ross stated that he was working EM Unit 57 with Deputy Johnson and he was the bookman. Deputy Ross said they were on routine patrol checking the [redacted] block of Flagstone Avenue because of several calls received over the past weeks regarding

increased gang activity and narcotics trafficing in the area, specifically at [redacted] Flagstone Avenue. Deputy Ross added that he arrested a person for being under the influence of cocaine a week earlier.

Deputy Ross stated that he and Deputy Johnson had driven down Flagstone Avenue a couple of times prior to the shooting. Deputy Ross said he had numerous contact with the suspect in the past, who is a known gang member of the "Du Rock Crips", however, he has never arrested the suspect. Deputy Ross stated at approximately 0110 hours, as they were patrolling northbound on Flagstone Avenue (EXHIBIT F-1) he observed the suspect standing between the house at [redacted] Flagstone Avenue and the first house south of [redacted] Flagstone Avenue (EXHIBIT F-3 & EXHIBIT F-4). Deputy Ross said the patrol vehicle's headlights were on, but the vehicle's spotlights and side lights were not on. Deputy Ross said he illuminated the suspect with his flashlight, told Deputy Johnson of his observation, and Deputy Johnson stopped their patrol vehicle. Deputy Ross stated that the suspect blankly stared in their direction and began moving in a "robotic intoxicated state." Deputy Ross said he asked the suspect, who was directly facing him, if he was okay and when he did, the suspect moved his right hand to the right front pocket area. Deputy Ross said he and Deputy Johnson simultaneous commented that the suspect was reaching for something and Deputy Johnson put their vehicle in reverse and started to back up.

Deputy Ross stated that he drew his firearm because of the high crime rate in the area, coupled with the fact that he has confiscated numerous weapons in the past. Deputy Ross said at the same time, the suspect began to "blade" his body (make it thinner) at which time he (Deputy Ross) observed a revolver in the suspect's hand pointing at a seven o'clock position. Deputy Ross said he told Deputy Johnson the suspect had a gun and then he pointed his Beretta outside the window, supported by his flashlight. Deputy Ross stated that he crouched down behind the closed passenger door of their patrol vehicle and he ordered the suspect four to five times to drop the gun and get down.

Deputy Ross said the suspect continued to stare at them and then started to raise his arm at the elbow and he could see a snub nose two inch revolver in the suspect's hand (EXHIBIT F-5). Deputy Ross said there was a street light on, however, his flashlight provided most of the light. Deputy Ross stated that he remembered Deputy Johnson moving and thinking he (Deputy Ross) was stuck in the vehicle because he was to big to move across the front seat of the vehicle. Deputy Ross said the suspect slowly raised the gun across his body to the nine o'clock position, pointed it directly at him, and Deputy Ross thought the suspect was going to shoot him. Deputy Ross said he remembered shooting at the suspect three times and one round striking the suspect. Deputy Ross said the suspect lowered his hand a little, but continued to stare at him without making any comment. The suspect then dropped down to his right knee and he (Deputy Ross) and Deputy Johnson both yelled at the suspect to "Get down and drop the gun!"

Deputy Ross stated that as the suspect was kneeling on his right knee, he lowered his right hand and regripped the gun with his left hand. The suspect then supported himself with his right hand and he began to raise the gun toward Deputy Ross. Deputy Ross said he then heard two gunshots come from Deputy Johnson. Deputy Ross stated at the same time, he shot two more times. Deputy Ross said at that point, the suspect went down on his knees, supporting himself with his right hand, with the gun in his left hand. Deputy Ross stated that he and Deputy Johnson continued to yell at the suspect to drop the gun and get down on the ground, and he requested assistance and began coordinating the responding units. At the same time, the suspect was still on the ground,with the gun gripped in his hand and he was still staring at them. Deputy Ross stated that he told Deputy Johnson that if the suspect raised his gun again, he (Deputy Ross) was going to

shoot him. As soon as he said that, the suspect's head went on the ground, he asked Deputy Johnson to cover him, and he exited the vehicle. Deputy Ross said he ran to the back of the radio car where he took a position of cover, decocked his weapon and loaded a new magazine (EXHIBIT F-6). Deputy Ross said he and Deputy Johnson continued to order the suspect to drop the gun but he was non-responsive. Deputy Ross stated that assisting units arrived and the suspect's weapon was subsequently recovered from his left hand.

Deputy Johnson gave substantially the same account of the incident as Deputy Ross adding the following: Deputy Johnson stated that he and Deputy Ross drove to Flagstone Avenue a couple of times prior to the incident because narcotics, specifically rock cocaine, are sold from the residence at [redacted] Flagstone Avenue. Deputy Johnson stated that he has also observed a lot of gang activity at the location.

Deputy Johnson stated that he observed the suspect standing at the southside of the residence at [redacted] Flagstone Avenue and the suspect appeared to be heavily intoxicated. Deputy Johnson said the suspect was illuminated by a street light and Deputy Ross' flashlight. The suspect was facing west, standing side to side in a very lethargic "robotic" type movement and staring at them with a blank look on his face. Deputy Johnson stated that he believed the suspect was either heavily intoxicated or under the influence of Phencyclidine (PCP). Deputy Johnson said that when he stopped the patrol vehicle, the suspect was standing east of them at a ninety degree angle to the right of them.

Deputy Johnson said that Deputy Ross asked the suspect if he was okay and when he did, the suspect reached into his right jacket pocket with his right hand. Deputy Johnson stated that he told Deputy Ross the suspect was reaching for something (which he thought might be a weapon) and he (Deputy Johnson) immediately put the patrol vehicle in reverse to back up and distance themselves from the suspect. As he was backing up, he heard Deputy Ross say, "He's got a gun!" Deputy Johnson stated that he looked up and observed that the suspect had a black or dark colored gun in his right hand. DeputyJohnson said he then stopped the vehicle and put it in park while at the same time Deputy Ross repeatedly yelled at the suspect to drop the gun. Deputy Johnson stated the suspect turned toward the north and he could see the gun down at the side of the suspect. Deputy Johnson said he exited the vehicle and as he did, he heard some shots. Deputy Johnson said he positioned himself behind the vehicle's door where he could look between the door and door jam over the hood of the vehicle (EXHIBIT F-7 & EXHIBIT F-8). At that point, the suspect was northeast of his location. Deputy Johnson stated that he pointed his gun at the suspect because the suspect had his gun at waist level pointing it across his body at them.

Deputy Johnson stated that he repeatedly ordered the suspect to drop the gun and put his hands up, however, fearing for his safety and partner's safety, he fired two rounds from his Beretta at the suspect. Deputy Johnson said the suspect was in the process of going down on one knee when he (Deputy Johnson) fired at him. Deputy Johnson stated that he and Deputy Ross continued to yell at the suspect to drop the gun, but the suspect remained on one knee with his gun pointed at them. At that point, Deputy Ross fired again and the suspect fell forward on his stomach onto the ground. Deputy Johnson stated that he believes the suspect's hand containing the gun was underneath the suspect because he could not see the gun. Deputy Johnson said he did not believe the suspect shot at them. Deputy Johnson said that Deputy Ross put out the "998" and it was approximately five minutes before assisting units arrived. Deputy Johnson stated that Deputies Labbe, Thoms and Collins retrieved a ballestics shield, approached and handcuffed the suspect and removed the weapon from his hand.
